Instructional Guide for the California Preschool Curriculum Framework, Volume 3 (PCF, V3)

Introduction to the Instructional Guide

- Introduction 1

Organizational Chart

- Organizational Chart for the *Instructional Guide for the California Preschool Curriculum Framework, Volume 3* 12

Unit 1

Introduction to the Framework

Getting Ready for the Unit and Connecting to Experience

Students have the opportunity to connect the concept of a framework to their personal experience.

- Preview of Getting Ready for Unit 1 13
- Getting Ready for Unit 1 15
- Online Options 19, 20

Key Topic 1: Getting to Know the Organization of the *California Preschool Curriculum Framework, Volume 3*

Students explore the organization of the California Preschool Curriculum Framework, Volume 3 and become familiar with what is included in the introductory chapters and the organization of the two domain chapters. They also examine the relationship of the California Preschool Curriculum Framework, Volume 3 to the California Preschool Learning Foundations, Volume 3.

- Preview of Key Topic 1 21
- Key Topic 1 23
- Online Options 25, 28, 29, 30
- Handout 1: History–Social Science and Science Foundations 32

Key Topic 2: Getting to Know the Eight Overarching Principles

Students become familiar with each of the eight overarching principles that guided the development of the California Preschool Curriculum Framework, Volume 3.

- Preview of Key Topic 2 42
- Key Topic 2 44
- Online Options 45, 46
- Handout 1: Exploring the Overarching Principles 50
- Handout 2: Relationships of the Overarching Principles to the Domain Guiding Principles 51

Key Topic 3: Getting to Know the Curriculum-Planning Process

Students become acquainted with the curriculum-planning process and its components as described in Chapter 1 of the California Preschool Curriculum Framework, Volume 3.

- Preview of Key Topic 3 52
- Key Topic 3 54
- Online Options 55, 56, 57, 59
- Handout 1: The Reflective Curriculum Planning Process 60

Unit 2

History–Social Science Domain

Getting Ready for the Unit and Connecting to Experience

Students acquire an increased understanding of the history–social science domain by recalling their early experiences related to the domain substrands and how these early experiences may have influenced their interests and activities as they grew older.

- Preview of Getting Ready for Unit 2 61
- Getting Ready for Unit 2 63
- Online Options 68
- Handout 1: Handout for the History–Social Science Domain: Connecting to Experience 70
- Handout 2: Handout for the History–Social Science Domain: Connecting to Experience with Peers 72

Key Topic 1: Organization and Rationale of the History–Social Science Domain

Students become familiar with the rationale and guiding principles for the history–social science domain in the California Preschool Curriculum Framework, Volume 3. They also explore how the domain is organized.

- Preview of Key Topic 1 75
- Key Topic 1 77
- Online Options 80, 83, 84
- Handout 1: Handout for the Organization of the History–Social Science Domain 86
- Handout 2: Handout for the Organization of the History–Social Science Domain – Instructor Reference 90
- Handout 3: History–Social Science Foundations 94
- Handout 4: Interactions and Strategies that Support History–Social Science 99
- Handout 5: History–Social Science Domain Guiding Principles and Interactions and Strategies 109
- Handout 6: History–Social Science Domain Guiding Principles, Substrands, and Interactions and Strategies 111

Key Topic 2: Getting to Know Environments and Materials that Support History–Social Science

Students review the 12 characteristics of environments and materials that support children’s learning in the history–social science domain and explore how each characteristic relates to the different substrands.

- Preview of Key Topic 2 112
- Key Topic 2 114
- Online Options 116
- Handout 1: Handout for the History–Social Science Domain: Getting to Know Environments and Materials 119

Key Topic 3: Getting to Know Interactions and Strategies that Support History–Social Science

Students explore interactions and strategies that can support children’s learning in history and the social sciences.

- Preview of Key Topic 3 121
- Key Topic 3 123
- Online Options 126
- Handout 1: Interactions and Strategies that Support History–Social Science ... 130
- Handout 2: Getting to Know Interactions and Strategies that Support History–Social Science 140
- Handout 3: Resources that Support Deeper Understanding 141

Key Topic 4: Universal Design, Individualizing, and Family

Partnerships

Students explore the concepts of universal design for learning, individualization, and partnerships with families as part of curriculum planning to support children’s learning in history and the social sciences.

- Preview of Key Topic 4 144
- Key Topic 4 146
- Online Options 149, 152, 153, 154, 155

Key Topic 5: Exploring the Research Highlights of the History–Social Science Domain

Students review the four research highlights for the history–social science domain and then have an opportunity to identify additional research articles on a topic of interest to them and develop a summary of their articles.

- Preview of Key Topic 5 157
- Key Topic 5 159
- Online Options 160

Unit 3 Science Domain

Getting Ready for the Unit and Connecting to Experience

Students explore the terminology of the science domain and reflect on ways in which they encounter aspects of the physical sciences, life sciences, earth sciences, and scientific inquiry in their everyday lives.

- Preview of Getting Ready for Unit 3 163
- Getting Ready for Unit 3 165
- Online Options 167, 168

Key Topic 1: Organization and Rationale of the Science Domain

Students become familiar with the rationale and guiding principles for the science domain in the California Preschool Curriculum Framework, Volume 3. They also explore how the domain is organized.

- Preview of Key Topic 1 169
- Key Topic 1 171
- Online Options 172, 173

 **Key Topic 2: Getting to Know Environments and Materials that Support Science**

Students review the strategies for planning and setting up the physical and social environments to promote children’s learning in science. Students also compare these strategies with the lists of suggested materials.

- Preview of Key Topic 2 175
- Key Topic 2 177
- Online Options 178
- Handout 1: Environments and Materials: The Physical Environment..... 180
- Handout 2: Environments and Materials: The Social Environment 182

 **Key Topic 3: Getting to Know Interactions and Strategies that Support Science**

Students become familiar with the interactions and strategies in the four strands of the science domain by reviewing vignettes in the strands and discussing where and how the interactions and strategies were or could be used.

- Preview of Key Topic 3 183
- Key Topic 3 185
- Online Options 187
- Handout 1: Getting to Know Interactions and Strategies and Vignettes of the Science Domain 190

 **Key Topic 4: Universal Design, Individualizing, and Family Partnerships**

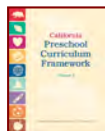

Students explore the concepts of universal design for learning, individualization, and partnerships with families as part of curriculum planning to support children’s learning in the sciences.

- Preview of Key Topic 4 204
- Key Topic 4 206
- Online Options 210, 212, 213, 214, 215
- Handout 1: Interactions and Strategies that Support the Science Domain 217

 **Key Topic 5: Exploring the Research Highlights of the Science Domain**

Students explore some of the research base for the science domain by reviewing the research highlights and additional books or Web resources.

- Preview of Key Topic 4 223
- Key Topic 4 225
- Online Options 226

Unit 4

California Preschool Curriculum Framework as a Resource for Planning and Integrating Curriculum

Key Topic 1: Integrating the History–Social Science Domain or Science Domain with Other Domains

Students become familiar with the integrated nature of children’s learning by exploring how the environments and materials or interactions and strategies in the history–social science domain or science domain can also support children’s learning in one or more of the other eight domains.

• Preview of Key Topic 1	228
• Key Topic 1	230
• Online Options	232, 233
• Handout 1: Integrated Learning Opportunities for Young Children Across Domains: Environments and Materials in the History–Social Science Domain	236
• Handout 2: Integrated Learning Opportunities for Young Children Across Domains: Interactions and Strategies in the History–Social Science Domain...	241
• Handout 3: Integrated Learning Opportunities for Young Children Across Domains: Environments and Materials in the Science Domain	296
• Handout 4: Integrated Learning Opportunities for Young Children Across Domains: Interactions and Strategies in the Science Domain.....	303
• Handout 5: <i>California Preschool Curriculum Framework</i> Domains, Strands, and Substrands	336

Key Topic 2: Integrated Planning Using California’s Early Learning and Development System

Students explore a curriculum-planning process that includes using the Desired Results Developmental Profile, the California Preschool Learning Foundations, Volume 3, and the California Preschool Curriculum Framework, Volume 3. Students are provided with questions to consider as they make curriculum decisions in this planning process.

• Preview of Key Topic 2	340
• Key Topic 2	342
• Handout 1: California Early Learning and Development System	354
• Handout 2: The Reflective Curriculum Planning Process.....	355
• Handout 3: Sample DRDP Individual Rating Record	356
• Handout 4: Sample DRDP Small Group Summary	357

Key Topic 3: Young Dual Language Learners

Students become familiar with interactions and strategies for supporting children who are dual language learners as they plan curriculum in history, social sciences, and science.

- Preview of Key Topic 3 358
- Key Topic 3 360
- Online Options 364, 365

Key Topic 4: Exploring Key Elements of the Curriculum Framework Across Domains

Students review the environments and materials and interactions and strategies in the nine domains of the three volumes of the California Preschool Curriculum Framework and identify ways that the environments and materials or interactions and strategies from one domain can support learning in one or more of the other domains.

- Preview of Key Topic 4 369

- Instructional Methodologies Index for the *Instructional Guide for the California Preschool Curriculum Framework, Volume 3* 386

Student Learning Outcomes Indexes

- Student Learning Outcomes Index Cover Page for the *Instructional Guide for the California Preschool Curriculum Framework, Volume 3* 391

Unit 1: Introduction to the Framework 392

Unit 2: History–Social Science Domain 400

Unit 3: Science Domain 408

Unit 4: California Preschool Curriculum Framework as a Resource for Planning and Integrating Curriculum 416

Appendixes

- Appendix A – CAP Student Learning Outcomes (SLOs) – Organized by Instructional Guide Units and Key Topics 424
- Appendix B – Summary of *California Preschool Learning Foundations* All Nine Domains 479
- Appendix C – Sample Environments and Materials for All Nine Domains of the *California Curriculum Preschool Framework* 519
- Appendix D – Sample Interactions and Strategies for All Nine Domains of the *California Curriculum Preschool Framework* 524
- Appendix E – Overarching Principles and Domain Guiding Principles All Domains of the *California Curriculum Preschool Framework* 584
- Appendix F – Related Links and Resources 589

PowerPoint Presentations

- PowerPoint presentations are available for each domain by key topic.
