

Instructional Methodologies Index

Instructional Methodologies Indexed with the *Instructional Guide for the California Preschool Curriculum Framework, Volume 3*

Each key topic is written to include a variety of instructional methodologies. This is intended to provide varied learning experiences for students as they encounter the preschool curriculum framework. It also provides another variable for faculty to use in deciding which key topic learning experiences will best suit the needs of their students and programs.

In this instructional guide, these methodologies are identified for each key topic and are listed on its preview page(s). The instructional methodologies are also indexed so that faculty can get an overview of which methodologies are used across all units/domains and key topics.

To locate page numbers for each key topic listed in the following index, refer to the Table of Contents of this instructional guide.
