FIP IG ELD Activity 10

The English-Language Development Foundations and the Language of Math

- How can adults support children in each of the levels of the English-Language Development domain to learn the vocabulary of mathematics in English?

FIP IG ELD Activity 10

The English-Language Development Foundations and the Language of Math

	What are some intentional teaching strategies that can be used for children at each of these stages to support learning the language of math?				
	Number Sense	Algebra (classification and patterns)	Geometry	Measurement	Mathematical Reasoning
Home-Language Use					
Observational and Listening Period					
Telegraphic and Formulaic Speech					
Fluid Language Use					

FIP IG ELD Activity 10

The English-Language Development Foundations and the Language of Math

- Post written words in the environment in the home language(s) of the children paired with English.
- Narrate what an adult or another child is doing.
- Use songs or finger-plays in the home language(s) and English that relate to the math foundations.

FIP IG ELD Activity 10
