California Department of Education (2008)

## Communicating with Parents about the English-Language Development Domain

- Develop 3 to 5 questions that could be used to determine parents' beliefs and desires regarding their child's language development in English and in his/her home language.
- Include at least one question that relates to each strand of the English-language development foundations.

FIP IG ELD Activity 7

## Communicating with Parents about the English-Language Development Domain

- Are all substrands and focus areas covered? Should they be?
- What additional questions would address any remaining substrands?
- Which strands would be most challenging to discuss with parents?
- How could cultural practices influence these questions and the responses that families might give?

FIP IG ELD Activity 7

## Communicating with Parents about the English-Language Development Domain

*Write 3 paragraphs (1 for each strand),  
describing the English-language  
development foundations to parents.*

- Include key points about the foundations.
- Describe the importance of English-language development in young children.
- Include what you most want parents to know about English-language development.
