## Working with Blocks

### **Number sense**

Did you do any counting and/or comparison of quantity?

### **Geometry**

Did you name and/or compare shapes?

### **Measurement**

Did you discuss or compare size, volume, or weight?

## Working with Blocks

### ***Algebra and Functions*** ***(Classification and Patterning)***

Did you put patterns together? Did you talk about symmetry? Did you sort by any characteristics of the blocks?

### ***Mathematical Reasoning***

Did you analyze what would work and what would not?

FIP IG Math Activity 11

## Working with Blocks

Consider the relatedness of the Foundations....

	Language and Literacy	Social-Emotional	English-Language Development
Number Sense			
Algebra and Functions			
Measurement
