How Children Demonstrate the Mathematics Foundations

At which table, or with which materials, can children gain experience with:

- Number sense
- Algebra and functions
- Measurement
- Geometry
- Mathematical reasoning

FIP IG Math Activity 9

How Children Demonstrate the Mathematics Foundations

- What stands out to you as you look at the lists that have been generated?

FIP IG Math Activity 9

How Children Demonstrate the Mathematics Foundations

- What does this tell us about how and where children experience mathematics in the early care and education setting?
- If you rotated to a second table, were you more aware of what mathematics might be experienced there? Why?
