Visual and Performing Arts

Relating the visual and performing arts domain to the health and physical development domains:

- Where was it easy? Were there some that seemed almost the same? Where did you find strong relationships?
- Where was it hard to see relationships? Are there some that just are not connected? What does this suggest?

Visual and Performing Arts

- What was the most important thing that you learned in this experience?
- Did you find areas of development or concepts that you want to strengthen in your own understanding?
- How will this influence your work now or in the future with young children?
